

Kindergarten Supply List 2016

Dear Parents,

Every September, parents ask what school supplies they can send to kindergarten with their child. Below is a list of supplies, which would be appreciated in our class (items in bold are the most needed).

Please consider sending these items to school within the first two weeks of September. They do not need to be labeled as they are for everyone to use. In cases where we have been brand-specific, it is because these items are of good quality (last longer) and are non-toxic.

Year 1s (JKs):

- **1 box of Crayola thin markers**
- **2-4 large sized glue sticks (UHU brand preferred)**
- **1 box medium Ziploc freezer bags**
- 1 pkg. of plastic spoons
- 1 roll of tape (clear or masking)

Year 2s (SKs):

- **1 box of Crayola thick markers**
- **2-4 large sized glue sticks (UHU brand preferred)**
- **1 box large Ziploc freezer bags**
- 1 pkg. plastic forks
- 1 pkg. of dry erase markers

Donations throughout the year of new / used materials or gift cards are greatly appreciated! Here is our current wish list:

- Plastic grocery bags
- Small wooden stools
- Craft / project materials such as scrap paper, food colouring, pipe cleaners, cotton balls, paper plates, pompoms, etc.
- Coloured or clear transparent items for the light table (glassware, beads, basket wrap/cellophane, etc.)
- Outdoor learning materials: bird seed (peanut free), long pieces of rope, field guides, compasses, picnic blankets (preferably with a vinyl or waterproof side)
- Gift certificates to help pay for materials for special class projects (baking, sciences, building, crafting, etc.) from hardware, grocery, art or dollar stores

Merci beaucoup,

The KD Kindergarten Team
