

Hello!

My name is Emma Stack and I am an Early Childhood Education student at Conestoga College. I will be working in your student's classroom for a few months. I am really excited to get to know everyone and learn together.

I was a high school teacher before I decided to go back to school. I had the opportunity to work with Elementary students a few years ago and loved it! So I decided to go back to school and become an ECE.

In my spare time I enjoy spending time with my family and my two horses.
